Dear Alistair

I recently toured the Reef development with Robert Angus. I must say that I was impressed with the standard of construction and the finish, not only of my apartment but also of the building generally. There are a few minor maintenance matters to be fixed as there always are with a new property, but generally I thought the standard to be particularly high.

I would also like to compliment you on the standard of your supervisory staff. On the occasions I dealt with Bruce Earby and Robb Wood, I found them most helpful and co-operative and definitely a credit to your company. Please pass my thanks to them as well.

It has been a pleasure providing legal services to the development team and I hope we can work together on another such project in the not too distant future.

Kind regards

Yours sincerely
