TO WHOM IT MAY CONCERN

CLELANDS CONSTRUCTION were commissioned to complete a total exterior and interior store makeover on our premises during late 2007 and early 2008 (2 stages).

This was part of a total change and re-branding for our business from a Levene Store to a brand new Freedom Store.

In short, Clelands were outstanding.

The organisation, the professionalism and the consideration to all involved was without fault.

From early conception, to the timelines, the regular site meetings to ensure full communication was achieved, to the organisation of the sub-trades, right through to the last day, Clelands were excellent.

In my opinion, there is no other company to deal with on such a project.

I am very pleased to recommend Clelands to anyone, be it a commercial or domestic building project.

Yours faithfully,
